"LE ROSSE" PINOT GRIGIO

A bright straw yellow with pale green reflections, on the nose it offers notes of **ripe pear** and **golden apple**, evolving in the glass with delicate hints of **fresh herbs** and almonds. On the palate it is **dry and well-balanced**, with a fresh, tangy finish. Le Rosse strikes the perfect balance between the richer, more concentrated Pinot Grigio from Friuli to the north, and the typically racier styles from the Veneto region.
